

JUNIOR DEVELOPMENT PROGRAMME

Dear Parents and Guardians,

On Monday, 28th August 2023 we will commence the first term of our 2023/2024 Junior Development Programme here at Montgomerie Golf Club Dubai. The Junior Programme allows Juniors from 3 to 17 years old to learn about the game of Golf and develop their skills from beginner to advanced. The programme content will also develop athletic skills, such as coordination, balance and flexibility as well as social skills in a safe and fun environment.

The Academy hosts a schedule of competitions, team matches, Championships, Golf camps and playing opportunities.

At the Academy by Troon we have created a clear pathway and grading system from beginner to advanced, evaluating technical Golf skills and playing/ performance skills. This makes our programme efficient and help our Juniors develop to a higher level of performance.

As a Junior Academy our outlook is to give a great experience helping Junior Golfers fall in love with the game. We also have the framework and passion to help our Junior Golfers develop to the highest levels of competition.
